

Kelba KOCS-XZ CRANE SCALE

Heavy Duty Crane Scale

The **Kelba KOCS-XZ-A** and **KOCS-XZ-A-4W** series of Crane Scales, offers the user a simple and easy method to weigh goods in an industrial lifting / tension application.

Comes standard with a small hand remote controller for ease of use operating all the functions of the KOCS-XZ-A crane scale. The KOCS-XZ-A-4W modal includes all of the same features and benefits as the KOCS-XZ-A-4W but comes standard with a 4 inch remote AC powered bright LED display that shows the weight on the actual crane scale. Communication is via RF technology up to 200 meters.

Standard LCD display with backlighting provides up to minimum of 60 hours of continuous operation.

Optional: Wireless remote models with 4 inch remote LED display as shown.
