

KELBA KH SS Bench Scales

Kelba's KH SS Bench (KHSS series) scales is an ideal choice for any wet area weighing application, from food preparation, medical and check weighing. The Kelba KH SS scales are supplied with internal AC mounted adaptor and internal rechargeable battery power with power level indication for true portability and 304 grade stainless steel body and platter. With front and rear 6 digit 13mm LED displays it can weigh in both kg's and lb and is IP67 rated. The 3 visual Over, Accept and Under LED lights also make this ideal for many check weighing applications in wet areas.
